

REVOLUTION

Emil

Emil

Emil

The Sage stood at the door
and he openingly declared
that the Revolution, it's

TIME HAS COME

and that if you

LOVED INDIA

you must stand tall and
as he parted he said
*"Revolution starts with
one man standing up
and saying NO!"*

All words we took to
heart and thus, the seed
was planted...

GREETINGS FROM THE LOST WORLD

Friends, neighbors and surprisingly, many of you seem to be fans of Emil and his ever increasing sense of miss-direction, confusions and lost of all practical sense...even

MORE THAN NORMAL

We are deeply concerned in regards to recent events in Emil's personal life and hopefully, you will be too. Maybe it is that

EVIL DEMON OF AGE

that has made such a drastic advancement, gripping a foothold somewhere leeching deep in the recesses, lost out there in the back forty of Emil's

GREETINGS FROM THE LOST WORLD

decreasing. shrinking brain...

Remember all of those old

AMERICAN TV PSA'S

"Here is your brain on drugs...?"

YEA...THOSE!

That is Emil minus the drugs, due to his natural chemical imbalances and being that Emil is the cheapest SOB that I have known, Emil never had an reason for drugs little alone the funds to partake.

Anyway, we light a candle, say a prayer for Emil to return to

HIS NORMAL INSANITY

we hope you will too.

SEINE

OH!

“There is no doubt that
MAN IS MASTER
of all, and I believe many
people have been
preserved by the power
of the human eye, and
many more might
HAVE BE SAVED
if they only had the
coolness to exercise the
power which has been
bestowed upon them.”

Emil

“Together they make
A PRETTY PICTURE
or rather a striking one;
and so through life you
will find that every half-
dozen things that you
observe will either form,
or assist in forming,
VIVID PICTURES
embraced by your mind,
which will most certainly
prove wonderment...”

Emil

Emil

“Suppose the situation,
that it did indeed, it
required for all to stand
quiet, and had you but

JUST LISTEN

to me, it would have led
to a dear and noble
narrative, suggests many
ideas which, if followed
up, would fill whole
pages with bold tales of
adventure and heroes
to be...”

"Oh, great king, have
mercy! I have been
to the Day of Judgement
and I have no rice to

FEED MY FAMILY

I can not remember
when we last had

THE TASTE OF FOOD

on our lips,

O great king, give us
the courage to finish
our journey..."

Emil

Emil

Emil

"It is a common
ENGLISH SAYING
that the Hindus have
no sense of gratitude,
that they have not even
a single word to express
THAT FEELING
in their language.
I DO NOT BELIEVE
this to be truthful and
that it serves only as
a means to justify the
cruelty the Raj imposes."

"The Hindus say that
the caves are the
WORKS OF DEMONS

Above the entrances
to many of them are
long inscriptions in
A FORGOTTEN TONGUE

Several of the letters
appear to resemble
the Greek; but most
of them are different
from any known
language..."

"The Hindus look for a
TENTH INCARNATION
when they shall unite all
the world in one religion,
and themselves
REIGN OVER THEM
I believe I am correct
in giving these as points
of faith amongst the
Elitists and Brahmins..."

"No European
FOREIGN DEVIL
nor any low-caste Hindu
has been allowed, have
not admitted into the
temple complex or the
surrounding caves; we
can, therefore, only
SPEAK ON HEARSAY
of what goes on inside.
The idol itself is renewed
every twelve years..."

The King responded to
a defeated general as
he sat in judgement of
said general for crimes
against the King/State.

“Wherever we go,
we give sound laws,
And the people find
peace and comparative

HAPPINESS

Under the native rajahs
all is anarchy, bloodshed,
and oppression. Would
that the whole of India
were under our sway...”

She was truly a string
of the finest pearls to be
hung round the neck of
all human intelligence;
A FRAGRANT FLOWER
to be bore up on the vision
of our mental wisdom;
a jewel of yet the
PUREST GOLD
upon on which sadly,
becomes jaded and
frail with time...

Emil

Emil

Emil

She was ever so careful
in keeping at bay
HER SUBJECTION
to lust, anger, avarice,
folly, drunkenness,
and pride; preserving
herself from being
seduced by the
LOVE OF GAMING
and of the chase;
restraining her desire for
dancing, singing, and
playing on musical
instruments...

In a most steadily
increasing torpidity to her
NATURAL SPIRIT
she actually was able to
trace the germs of that
quietude which forms the
HIGHEST HAPPINESS
of womankind in this
storm of matter called
the world...

Emil

Emil

Emil

They said that she
exceeded in beauty,

HER FACE

was that of a full moon
shining in the clearest
night sky; her hair was
that of the purple

CLOUD OF AUTUMN

when, gravid with rain, it
hangs low over earth; and
her complexion mocked
the pale waxen hue of the
large-flowered jasmine.

Those who saw her,
would say that

HER EYES

were like those of a timid
antelope; her lips were
as red as those of the
pomegranate's bud, and
when they opened, from
them distilled a fountain
OF AMBROSIA

Emil

Emil

Emil

She was a person of
NOBLE BIRTH
endowed with shining
abilities, popular,
dexterous in business,
acquainted with foreign
parts, famed for
HER ELOQUENCE
and intrepidity...rare
for a woman in her age...a
remarkably handsome
woman, indeed!

The image is a painting of a man, likely a warrior or a noble, with a mustache and a blue turban. He is wearing a red tunic with a blue sash and is holding a sword in his right hand and a shield in his left. The name 'Emil' is written in the top left corner of the painting.

Emil

He placed an intimate
of his own in the high
position of being
a confidential councilor,
the ambassador who
sought the powers of
the state to regulate

WAR AND PEACE

He fancied himself a

GOD OF WAR

but, secretly he was
riddled by doubts...

IN WAR

he was highly praised
as he never slew
a suppliant, a spectator,
a person asleep or in
the disarray of undress,

ANYONE

that showed fear
to the rightfulness of
his cause or that
sought redemption...

Emil

While she still remained
subject to the
LAWS OF DEATH
she concealed the
motives from the depths
of her inner thoughts,
enlarging
THE CONVERSATION
as women are apt to do,
upon everything but the
truth as she spoke to her
husband about the
rumors of other men
from the village...

Emil

Emil

She concluded the bitter
argument by forcibly
impressing upon her

UNWORLDLY

husband the necessity
of securing a rather large

SUM OF MONEY

as a return **for the**
priest's inestimable gift
of freedom by allowing
them sanctuary in
the temple.

What is life but
a restless vision of
imaginary pleasures
and of real pains, from
which the only waking
is the terrible

DAY OF DEATH?

The affection of this world
is of no use, since, in
consequence of it, we
FALL AT LAST INTO HELL

She explained the luxuries
she possessed by the
nature of her vow,
WHICH BOUND HER
to indulge in costly
apparel, in food with
six flavors, and in every
KIND OF INDULGENCE
So it was written before
long she was born or
so she said to all who
challenged her
selected lifestyle...

BE NOT TOO PROUD!

I will save you from a
nearly impending death.
Only hearken to the tale
which I have to tell you,
and use your judgment,
and act upon it as
the king seeks your

UNTIMELY DEMISE

a most ugly death with
no pity offered.

Emil

In order to save them,
if such be the will of
OLD LADY LUCK
to escape from their
impending destruction.
Therefore

LISTEN UP

and focus on my
ever single word!
Put distrust in all those
who wish to dwell with
and commune amongst
the dead...

As they fled the city,
out into the wilds of
the frontiers, the

HAPLESS LOVERS

could not help thinking
that on this occasion
it came a little

TOO LATE

However, after a pause
they returned to the
subject of marriage and
a long life together free
from the bondage of the
Raj...family...society...

Emil

Emil

SAGES SPOKE OF

a time when a worthy
king was like fire and air;
he was both sun and
moon; he was the god of

CRIMINAL JUSTICE

he was the genius of
wealth; he was the

REGENT OF WATER

he was the lord of the
firmament; he was a
powerful divinity who in
human shape...was sent
to steward his people...

She determined to prove
HERSELF A HERO
and feeling that the
critical moment had now
come like a most strange
SUMMER SNOW
from out of the far north;
to which she hoped to rid
herself and her house
forever of the
FAMILY CURSE
that hovered over them.

Emil

Emil

Emil

Emil

It was his normal practice
every morning to eat
some tough fibered food
as a reflection of his
privileges and he chewed
upon the cud of it in

HIS MIND

While the times conspired
to make the strong weak
and the full go hungry....
It was in such meditations,
which employed his wits
to make the changes that
should have come a

LIFETIME AGO...

He used to constantly
PAINT THE PORTRAIT
of the beautiful lotus
gatherer, and lie gazing
upon it with tearful eyes;
then, he would

IN ANGRY

tear it to pieces and beat
his forehead, and begin
to draw yet another
picture of a her
beautiful face.

Emil

Emil

Emil

She whispered into his
AWAITING EAR
That the legends declared
that whoever dares to
enter upon the
PATH OF LOVE
cannot survive it and if by
even sheer chance they
should live to tell the tale;
what life had once meant
to them would be forever
gone and replaced with
only a prolongation of
utter misery?

She hung down her head
and sighed from the
bottom of her heart:

"I have ventured to tread
in a most dangerous

WAYS OF LOVE

if its end will be lost in

PAIN OR PLEASURE

happiness or destruction,
that I do not care
to speculate upon."

Love is but a
LOST OPPORTUNITY
which is seldom if ever
recovered.
The time to woo me is the
VERY MOMENT
you meet me, before
I have had time to think
or reflect ; now, please
allow me the use of this
very moment of reflection
so I may escape this
net that you cast..

Barely was he but a mere
SCORE OF YEARS

old, and he had been
strictly brought up by
serious parents. He
therefore resolved to
RESIGNED HIMSELF
entirely to the siren
for whom he would
so willingly forget the
world, and he wondered
as to his good fortune...

BEING FATE...

A painting of a woman with dark hair, wearing a pink and blue sari, standing next to a large, roaring lion's head. She is holding a small object in her right hand. The word "Emil" is written in white script at the top right.

Emil

A painting of a woman with a large, prominent belly, wearing a green and red sari, standing next to a blue deity. The deity is wearing a crown and jewelry. The word "Emil" is written in white script at the bottom right.

Emil

Emil

She was rather naturally
MORE SMITTEN

by her lover's dullness
than by any other of his
qualities; she adored it.

There was such a
NOBLE CONTRAST
to her independent spirit
of spontaneity but, over
time, this trait grew
ever more ultimately,
FRUSTRATING...
and she left...

Her mother noted that
her daughter cannot be
kept in check or in
DUE SUBJECTION
either by gifts of
KINDNESS
or correct conduct, or
greatest services, or the
laws of morality, nor
by the sheer terror of
PUNISHMENT
for the gods specifically
made her both brave
and bold...Independent!

Courage is justly tried

IN WAR

integrity in the
payment of debt
and interest; friendship
in distress; and the

FAITHFULNESS

of a wife in the day of

POVERTY

This was the wise council
that his father once gave
him...

Emil

SURELY IT WAS

owing only to my foolish
pride and the emptiness
of my deep selfishness
that I could ever

LOOK UPON

a man as being capable
of bringing me, to give
me affording happiness
or even true security

IN A TIME

when our nation lays
enslaved and broken...

ARISE!

Emil

Emil

REMEMBER

science without
understanding is of

LITTLE USE

indeed, understanding
is far superior to science,
and those devoid of this

UNDERSTANDING

They shall surely perish as
does the persons who
revivified the tiger's roar.

“Either hold
YOUR TONGUE
fellow, or go on with your
story," she openly cried
out to the utterly
SURPRISED
and offended Raja, after
she gained his attention,
she then continued:
“...I am but
WORN OUT
by so many of your words
that have no manner or
make much sense.”

Emil

DOUBTLESSLY
some damsel has shot
forth the
DEADLY ARROWS
of her glances from the
bow of her eyebrows,
thence, he has become
INSENSIBLE
and vowed to never be
more than inches from
her side!

Emil

The Sage stood at the door
and he openingly declared
that the Revolution, it's

TIME HAS COME

and that if you

LOVED INDIA

you must stand tall and
as he parted he said
*"Revolution starts with
one man standing up
and saying NO!"*

All words we took to
heart and thus, the seed
was planted...
